

Map showing pressure and wind data for 1957. The map is oriented with North at the top. A grid of numbered stations (15-30) is plotted, with station 25 marked with a circled 'A'. A vertical scale bar on the right indicates 16.00 units. A handwritten note 'A - 18, 19, 14, 13' is written near the bottom right of the map area.

Map details: The map shows a grid of 15 stations. Station 15 is at the top left, 20 is at the top center, 25 is at the center, 26 is at the bottom left, and 30 is at the bottom right. Station 25 is circled with a large 'A'. A vertical scale bar on the right indicates 16.00 units. A handwritten note 'A - 18, 19, 14, 13' is written near the bottom right of the map area.

Station	Pressure (mb)	Wind (mb)
